

# I'M FIGHTING

## With My Back Against the Wall

IN A DESPERATE STRUGGLE TO RAISE THE NEEDED CASH FOR THE CHICAGO STORE, I'M QUOTING YOU PRICES WITHOUT REGARD TO COST OR PROFIT—I MUST RAISE MONEY, AND ITS GOT TO COME QUICK, AND THE QUICKER THE BETTER. You know that when I tell you that I am selling goods at cost it means just what the word implies. I am very plain in my advertising, to you, and I mean every word of it. The Chicago Store is in need of ready cash, and there is only one way to raise money in a hurry, and that is just what I am doing—cutting the price to the give-away point; its my only chance to get the money, cut the price to the limit.

## WILLAMETTE GLEES WILL GIVE CONCERT

Clubs Unite to Give Entertainment at First Methodist Church May 17

Miss Esther Pauline Cox, who will star as an instrumental soloist in the public concert of the Willamette Glee Clubs at the First M. E. church, May 17th.

The Willamette Glee club will give a concert in Salem for the first time in five years on the evening of May 17th at the First Methodist church. Both the men's and ladies' clubs will appear, and it will be an opportunity for Salem music-lovers to hear some of the best talent in the city. One of the leading instrumental solo artists who will appear with the Ladies' club at this time is Miss Esther Cox. She will give several piano solos on the program, and this alone will assure the success of the concert.

This little lady was the composer of the music for the Freshman song in last year's Freshman Glee contest, and at her appearance on the platform, the crowd unconsciously fell in love with her. Her winning smile and graceful appearance are two of her most striking characteristics.

Miss Cox formerly was a student at the Whitman conservatory of music at Walla Walla, Wash., studying under the famous teachers, Dean Robert Schofield and Miss Van Wormer. She is now one of the most advanced students in the Willamette college of music, under the direction of Dr. Frank Wilbur Chase.

Miss Cox has been the accompanist for the Willamette quartet during the past winter on their trips to towns in Western Oregon, and reports from every place where they appeared were particularly favorable in speaking of her work as an accompanist. She is also a talented singer and is one of the four in the mixed chapel quartet in which she sings alto. She also sings in the choir of the Presbyterian church. Last, but not least, she is one of the members of the Ladies' Glee club, in which she will sing alto at the public appearance, in addition to her work as an instrumental soloist.

Miss Cox lives at Arlington, Ore., and from what can be learned of her career there it is known that she has always been musically inclined. She intends to remain in Willamette until she graduates from the college of music.

## Steeves-Page Wedding

Mr. and Mrs. Laban Steeves

Laban Steeves, who plays an important role in the Junior play, "Shadow-of-a-Leaf," and Miss Florence Page, a popular young lady in the senior class, also Queen's attendant in the approaching May Day festivities, announced a great surprise in college circles yesterday when it was discovered they had been married at Ridgefield, Wash., Monday by the Rev. J. A. Cooper. It was to have been kept a secret for a while at least, but newspaperers are so inconsiderate and will tell the news, the story was printed last evening, and Steeves finally owned up. He said:

"We went to Vancouver where I got the license; then we went on the Ridgefield, about 30 miles north of Vancouver and had the Rev. J. A. Cooper, a friend of mine, marry us. We thought it could be kept a secret, but these blamed scoop reporters see everything and now you see its all out."

Following this statement Steeves was besieged by a crowd to congratulate him and to enquire when he would be at home to receive callers.

The young couple are well known and popular in school and the best wishes of every student and faculty member is extended to them. They have not yet decided where they will make their home. "It was so sudden and unexpected you know."

## WHAT DYSPEPTICS SHOULD EAT

Indigestion and practically all forms of stomach trouble are, nine times out of ten, due to acidity; therefore stomach sufferers should, whenever possible, avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, should try a meal of any food or foods in moderate amount, taking immediately afterwards a teaspoonful of bisulphated magnesia in a little hot or cold water. This will neutralize any excess acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisulphated Magnesia is doubtless the best food corrective and antacid known. It has no direct action on the stomach; but by neutralizing the acidity which inflames the delicate stomach lining, it does more than could possibly be done by any drug or medicine. Do not take an inflated and irritated stomach with drugs, but get rid of the acid—the cause of all the trouble. Get a little bisulphated magnesia from your druggist, eat what you want at your next meal, take some of the bisulphated magnesia as directed above, and note remarkable results.

## GOATS DESTROY SHRUBBERY IN MONMOUTH CEMETERY

Monmouth, Or., May 3.—It is reported by those who have visited the Knights of Pythias cemetery just south of this place that a band of goats has practically destroyed all shrubbery, flowering plants and trees in this enclosure. The indications are that the goats, a large band, was in for several hours. No one seems to know when this occurred. This is one of the oldest cemeteries here and is the resting place of many pioneers and these were many well cared for graves.

## ITCHY SALT RHEUM

Sometimes Called Eczema—Removed by Hood's Sarsaparilla.

Salt rheum is one of the worst and unfortunately one of the most common of all diseases. How it reddens the skin, itches, oozes, dries and scales, and then does this all over again! Sometimes it covers the whole body with inflamed, burning patches and causes intense suffering, which is commonly worse at night. Local applications may do some good, but they cannot permanently relieve. The disease will continue to annoy, pain and perhaps agonize until the blood has been purified and the general health improved.

Ask your druggist for Hood's Sarsaparilla, the good old reliable family remedy. It has given perfect satisfaction in thousands of cases. Insist on having Hood's Sarsaparilla, for no substitute acts like it. Get it today.
